A CRAFT BEER BREWED BY COMEDIAN

*Dave Levinsohn*

*Hand-made in Jozi. South Africa.  
For people with taste buds!*

When a comedian decides to brew beer, it's no joke. Since tasting my first craft beer in '98, I've searched for that special 'taste'.

One day I thought, why not make my own beer? And here it is!

Dave Brew promises to be fresh & tasty. But you can't please everybody.

So if you don't like it, keep quiet & buy one for someone else.

Drink it soon & always serve Dave Brew chilled - cheers.
